BRISBANE 3 DAY EXCURSION

The Big City Experience

Brisbane offers an opportunity for regional students to experience the Big City. Popular attractions include several museums, Parliament House, Government House, the Science Centre, the State Art Gallery, the Planetarium and the Botanic Gardens. Many attractions are centrally located around the city's signature outdoor area, "Southbank" which offers an ideal place for some down-time during your itinerary.

Accommodation options are plentiful and range from dormitory style rooms to twin share motel accommodation with included meals.

THE BUSH CAPITAL

7 Days - Canberra and the ACT

Canberra offers a range of exciting and educational experiences for student groups with programs designed to build student's understanding of the nation's government, legislative and electoral processes. The views and sights of this planned city and ACT's surrounds are strikingly different to those that can be experienced in Queensland, making this destination a unique trip for most students.

Popular attractions include the Australian War Museum, Parliament House (new and old), The Australian Institute of Sport, Questacon, The Electoral Education Centre and more. Many tour groups choose to include a short drive to the snowy mountains or Sydney as part of their itinerary.
